Chesterland, OH 44026

Dear Chief Wargelin:

Thank you for your assistance with our most recent Marsh Fire on Tuesday, November 5, 2013. Although small in comparison to past Marsh Fires, it was very difficult to access and proved to be stubborn to completely extinguish.

Like many members of our community, I am thankful for your assistance. It is always reassuring to know that whatever our need, you are only a phone or radio call away.

Again, please extend my thanks to your members and administrators.

Yours in safety,
